PURPOSE

Playschool provides age-appropriate educational curriculum designed to stimulate curiosity, foster the excitement of learning, and facilitate social emotional skills through supportive, responsive relationships.

Our program offers a safe, nurturing, and stimulating environment in which children will develop a positive self-concept and respect for others as well as grow in their love of God and His creation.

Parenting support is provided to enhance the parents' knowledge of child development and their parenting skills.

“CHILDREN ARE A GIFT FROM GOD.”

Psalms 127:3
