

Awana is COMING back!

We will not be able to meet in person as a HUGE group on Wednesday Nights, HOWEVER!

This PROGRAM will CONTINUE!

Awana IS important. Kids matter to GOD and we know they matter to YOU!

What are YOUR options?

1. Awana at home as a family.
2. Awana in a home as a small-group.
3. Awana as a small-group in a location (other than your home) of your choice.

This year it TRULY will be YOUR club. YOU will lead as never before and YOU are GOING to do a GREAT work in your family.

What IS Awana?

Awana is designed to get YOUR kids into scripture through discovery, connection, and memorization. Each student will receive an age-appropriate workbook that guides their yearly study. Achievements as you work through the workbook earn awards AND an increased comfort in knowing God, Scripture, and self-guided study. As the main leader, YOU-the parent will also learn about God's Word through the eyes and heart of a child. You will be inspired and engaged by God in ways you have NEVER achieved before.

HOW much time will AWANA take?

If you dedicate 15 minutes EACH day, you will complete EVERY page and receive blessings greater than you can know! Your life will also overflow with blessings that are EASY to share!
