

# God Made the Animals

## Scripture

So God made every kind of animal. God made the wild animals, the tame animals, and all the small crawling things. And God saw that this was good.  
*Genesis 1:25 (ERV)*

## Devotional

God made all the animals. Can you name an animal that God made?

The Bible also says that after God created the animals, He “saw that it was good.” God knew what animals and birds and insects and fish needed to be on the earth, and He created each one exactly right. He gave the ducks special feet to swim in the water. He gave the turtles special shells for protection. He gave the camels special humps to hold water when they walk through the desert. Each animal has everything it needs.

## Prayer

Dear God,  
Thank you for animals and for creating each one exactly right. Amen.
