

I Will Trust in You

Scripture

When I am afraid, I will trust you. *Psalm 56:3 (ICB)*

Devotional

What are some things that scare you? God knows we are sometimes going to be afraid. The Bible tells us whenever we are afraid we can trust God to take care of us.

Because we serve a God who created everything and holds the whole world in His hand, we know that God is bigger and stronger than anyone or anything that scares us. When we have God beside us, there is nothing we have to fear. We can always trust God.

Prayer

Dear God,
We know You are strong and mighty. Thank You for protecting us. Help us trust You whenever we are afraid. Amen.
