WEEKDAY

kids@awana

- *What IS Awana?*
 - Awana is designed to get YOUR kids into scripture through discovery, connection, and memorization. Each student will receive an age-appropriate workbook that guides their yearly study. Achievements as you work through the workbook earn awards AND an increased comfort in knowing God, Scripture, and self-guided study. As the main leader, YOU-the parent will also learn about God's Word through the eyes and heart of a child. You will be inspired and engaged by God in ways you have NEVER achieved before.
 - If you dedicate 15 minutes EACH day, you will complete EVERY page and receive blessings greater than you can know! Your life will also overflow with blessings that are EASY to share!
- *What are YOUR options?*
 - Awana at home as a family.
 - Awana in a home as a small group.
