

Bring a Friend Alternate Activity

LEADER'S NOTE: Do you have a kid that needs an alternate activity to complete the Bring a Friend section in their T&T handbook? Have your kids complete the following to get their section signed off.

In your opinion, what are the top three things that you believe would describe a good friend? Write them in the space below. Circle the one you think is the most important.

Look up and read Proverbs 17:17. How often does a friend love?

Look up and read 1 Corinthians 13:4-7. It describes what love looks like. God loves us perfectly like this. As humans, we can aim to love other people like this too, because God loves us. What is one way we can show love to others that is talked about in 1 Corinthians 13:4-7?

Draw a picture of yourself in the box below. Now that you have studied about loving others, write six words that describe how you want to be a friend.

1. _____
2. _____
3. _____
4. _____
5. _____
