

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

Today, we learned how God protects us and has a plan for each of our lives. We saw how God protected Moses from the hands of Pharaoh in a very special way. Moses had no idea how God was going to use him, but God knew. We use many things to protect us, like helmets, gloves and heavy coats in the winter. People also protect us from harm, such as firemen and lifeguards, but God's protection is always there, even when we don't know it. (Scripture used: Exodus 2:1-10)

## Memory Verse:

**"My help comes from the Lord, the Maker of heaven and earth" Psalm 121:2 NIV**

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

## Suggested Parent/Child Activity:

As you are driving with your child this week, count the number of different road signs that are there to keep us safe. How many different signs can you find? Discuss each one as time permits. What does the sign mean? How does the sign keep us safe? Why is it important to follow the sign?

Make a game by starting with a list of safety signs, and then have your child check them off as they are seen on the road. When you and your child have found all of the signs, you've won the game.

## Daily Prayer:

Father God, You created the heavens and the earth, and everything belongs to You. Nothing happens except by Your will. Your mighty hand keeps us safe from harm, even when we are not aware of the dangers around us. Dear Lord, thank You so much for Your protection, and help us to live for You according to the special plans You have for our life. Amen.
